

# Release of Liability

23 June 2025

## STAKEHOLDERS

### Internal Protection and Security

The company Samina Kima ♥ and all founders, CEO, and other employees are free from any responsibility of customer liability, as each product is sold at an individual's own risk. Each product is created with natural and organic fruits and vegetables only. Some products may contain pre manufactured products (such as: condiments and seasoning) to enhance taste.

### Disclaimer

Please note that I am not a medical professional. Please consult with your primary care provider before any changes in your diet.

Please note that it is your responsibility to bring awareness to any food allergies you have before purchasing and inquiring about an order.

Please consume products held in recycled plastic at your own risk.

## OVERVIEW

Each product at Samina Kima ♥ has been chosen with love, washed and sanitized, taste tested, stirred to be sweet-smelling, and pasteurized to perfection for longer shelf life and eliminating risk of bacteria.
